WINNING DETAILS

Disney Mickey Mouse Edition by Vespa is an original and fun tribute to the world's most famous and loved mouse, starting from the unmistakable black, red, white, and yellow colours that make up the character's classic look. The inside of the wheel is in the same shade of yellow as Mickey's shoes, the black rear-view mirrors recall his round ears, and the chrome finishes enhance the outfit. On the front shield and the sides, a white graphic pattern inspired by Mickey's silhouette stands out on the metallic black background, and his iconic signature adorns the seat and front of the body.

COORDINATED ACCESSORIES

For a coordinated total look, the helmet is also customised with the same colour patterns and decorative elements as the vehicle: the left side features the stylized Mickey Mouse pattern, his signature embellishes the right side of the helmet, and on the front, the Vespa logo ties it all together.
